

# Freedreno – Open Source ARM Graphics

Rob Clark

## What is demonstrated

## Hardware Information

Inforce 6410 SBC – Adreno 320 / Snapdragon 600 / APQ8064  
Inforce 6540 SBC – Adreno 420 / Snapdragon 805 / APQ8084

## What was improved

FOSS drivers for adreno 2xx/3xx/4xx enables DE's, games, webgl, etc, to work out of the box in your favorite distro.

No blobs or porting to OpenGLES required!
